**Kawawa Sakurako**

She's got the best grades in her year and can cook and clean as well. A big sister type. She's got an older sister and a younger brother and sister.

**Yamabuki Kasumi**

She's gung-ho, but stubbornly carefree and lazy. Does about 1/3 of her own part. A total glutton.

Sakurako and Kasumi became roommates in a boarding house when they started high school. They hit it off right away. Since then, they've had fun every day while living together!

# A Room for Two

\* TL Note: Pink mochi filled with red bean paste and wrapped in a pickled cherry blossom leaf

\* TL Note:  
Kanso-style mochi is made with daimpakko (coarse sweet rice), while Kanso-style mochi is made with shirodango (glutinous rice flour). They're also typically shaped differently.

\* TL Note:  
White bean paste mixed with pickled sakura leaves.

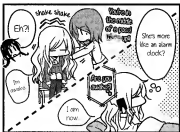

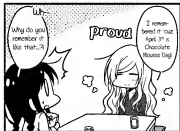

TL Note: Traditional Japanese trousers, usually worn over a kimono. It's common to wear them for graduation ceremonies.
